Hey! There's a lemon growing all the way over there!
I didn't know we had lemon trees around here.
1
On closer inspection, it looks like it's actually a yellow leaf!
2
It looks like a little glimmer of light among all the green.

Summer cherry blossom viewing is beautiful too, when you look at it like this.
Summer flower viewings are best enjoyed while surrounded by bright green and yellow leaves...
And while drinking homemade lemonade.
